CITY OF Regina

Population, 12,000

PUBLISHED BY

CANADA

BOOK CO., LIMITED,

REGINA, SASK.

THE City of Regina is the Capital of the Province of Saskatchewan and is situated on the Wascana Creek and on the main line of the Canadian Pacific Railway 358 miles west of Winnipeg, 482 east of Calgary, and about 120 miles north of the boundary line between Canada and the United States of America. : : : : : : : :

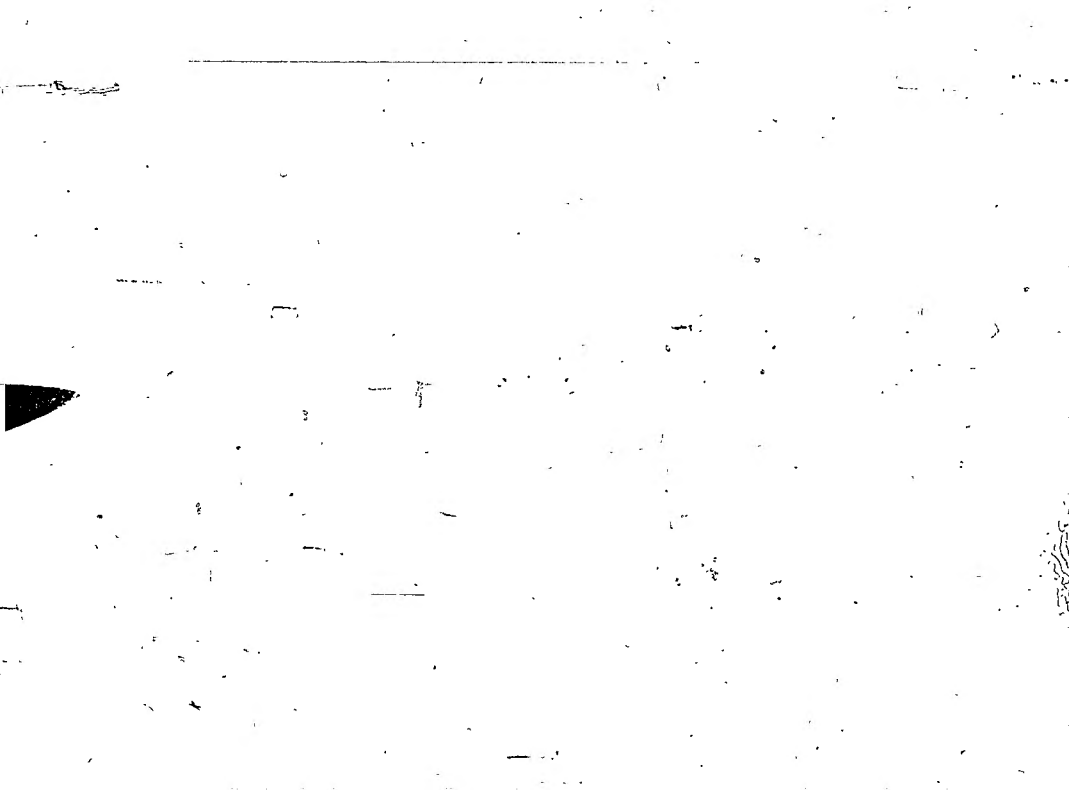

¶ Regina is the wholesale centre of the Province and is destined to become the wholesale centre of the North-West. : : : : : : : :

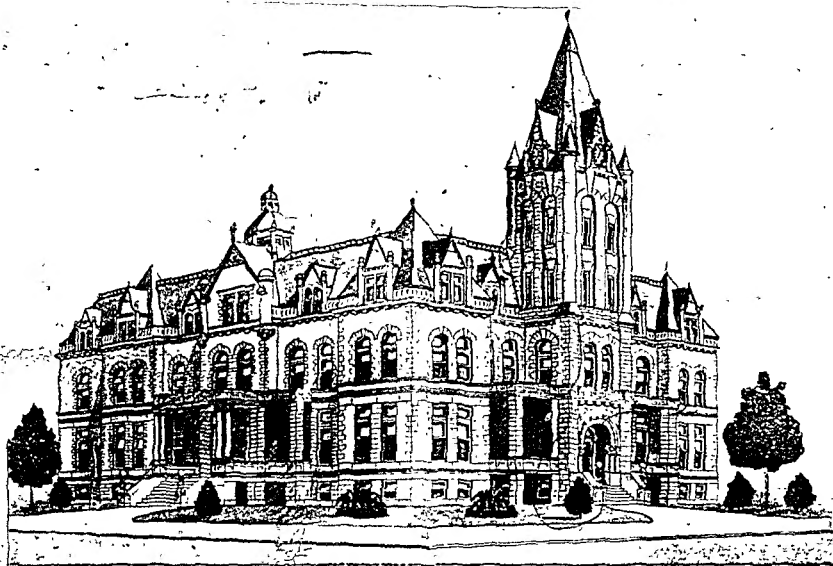

¶ Great improvements have been made on its central streets and sidewalks, while its parks and boulevards are being planted with trees, shrubs and flowers. : : : : : : : :

¶ It is the seat of the Provincial Government and the educational centre of the Province. : : : : : : : :

¶ It contains many handsome buildings, such as the new City Hall, built at a cost of \$175,000.00, the new Post Office nearing completion, costing \$225,000.00, the Court House, the Dominion Land Office, the Land Titles Office, the Metropolitan Methodist Church, the Knox Presbyterian Church, St. Paul's Anglican Church, St. Mary's Roman Catholic Church, Victoria School, Albert School, Earl Grey, Alexandra School and several other churches, and schools besides first-class hotel accommodation. : : : : : : : :
